Dear Secretary Bodman:

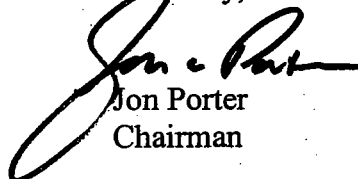

Pursuant to its authority under Rules X and XI of the House of Representatives, the Subcommittee on the Federal Workforce and Agency Organization hereby requests certain records in furtherance of its investigation into the alleged falsification of documents used in scientific studies by Federal employees to establish the safety of the proposed Yucca Mountain nuclear waste repository.

Please produce the following items, in unredacted form, to the Subcommittee:

All documents and records, including electronic communications, relating to, identifying, or discussing the falsification and/or fabrication of documents or records by any Federal employee, contractor or any other person used in relation to the proposed Yucca Mountain nuclear waste repository.

 If you have any questions about this matter, please have your staff contact the Subcommittee's Chief Counsel and Deputy Staff Director, Chad Bungard, at (202) 225-5147.

Sincerely,

  
Jon Porter  
Chairman
